Autumn Council Session
October 24-30, 1961

100 Years of Denominational Organization
100,000 Baptisms and Professions of Faith Annually
\$100,000,000.00 Evangelistic Income Annually

- - - - -

How near have we already come to the above figures?

How far beyond these figures will we go by General Conference Session time?

1 0 0 YEARS:

Monday, May 20, 1963 will mark the centennial date of the Seventh-day Adventist denomination.

1 0 0, 0 0 0 BAPTISMS:

For the year 1960 reports show that 93,915 persons were accepted into the church by baptism or profession of faith. This is just 6,085 less than the coveted 100,000 mark;

The total church membership in the world as of December 31, 1960 was 1,245,125. With the special evangelistic campaigns being carried on, the world membership should reach 1,300,000 by the close of 1961. For the first six months of 1961 the North American Division reports 11,262 accessions as compared with 8,802 for 1960, an increase of 2,460.

MEMBERSHIP INCREASE:

The net membership increase for 1960 was 51,055: 87.3% or 44,573 in the Overseas Divisions and 12.7% or 6,482 in the North American Division. For each net increase of 100 members during the year, it was necessary to bring into the church:

166 persons in the Overseas Divisions
and
292 persons in the North American Division

The loss from deaths and apostasies was 30,378 in the Overseas Divisions and 12,482 in the North American Division, making a total of 42,860.

Evangelism is the keynote around the world! Elder R. A. Anderson reports ministerial institutes and evangelistic campaigns being conducted by his staff and he is thrilled by the response from the field. Elder Walter Schubert held an effort in very difficult Ireland; Elder A. C. Fearing has conducted meetings in Beirut, Lebanon and Cairo, Egypt. Elder E. E. Cleveland has just concluded a very successful campaign in Los Angeles. In Australia and New Zealand where the national workers are holding the torch of truth, crowds are so persistent that it is necessary to hold four meetings for each subject presented to accommodate the 7,000 and 8,000 persons who want to attend. In Pretoria, South Africa, a conservative state-church city, the people are flocking to the Adventist meetings by the thousands. Truly, this is the "sound of going in the tops of the mulberry trees," and God is gone forth before His workers!

WORKERS:

Of the 48,890 full-time denominationally-employed workers 37.5% or 18,362 are devoting their time to evangelism. Note also how evenly these workers are distributed around the world; 73.3% of the world membership is in divisions overseas and they report 73.2% of the evangelistic workers.

\$1 0 0, 0 0 0, 0 0 0. 0 0:

I can hardly imagine how much 100 million dollars is. For 1960 it more than paid for all evangelistic expenses; such as salaries and travel expense of administrators, pastors and missionaries, evangelistic campaign expenses, elementary school operating expenses, church buildings and maintenance, Faith for Today, Voice of Prophecy, It Is Written, ad infinitum, in all the world field.

The total tithe, world mission offerings, and home and local funds amounted to \$99,902,354.56 or \$189.55 for every moment day and night throughout the year. Nearly 80% of all these funds was paid in by members in the North American Division. The amount of money paid by our members overseas may seem small by comparison with North America, yet the same spirit of sacrifice prevails there as here. The main factors that enter into this difference are the standards of living in the under-developed areas and the lower currency values when converted into U.S. dollars. Our people are taking seriously the conditions reported in the world and are sacrificing to give the workers the necessary tools. Surely we will not fail them!!

The total evangelistic funds reported received since the date of organization in May, 1863 until the close of 1960 amounted to \$1,349,320,109.77. Of this tremendous sum 59.19% is tithe; 22.19% world missions and 18.62% home and local funds including Voice of Prophecy and Faith for Today. This means that for nearly 100 years the average for every \$1.00 tithe paid, an additional \$.69 was given in offerings.

DEPARTMENTAL ACTIVITIES

Evangelism is emphasized in every phase and department of our denomination, and it rightly should be. What is the reason for the existence of any department unless soul-winning is its true objective!

HOME MISSIONARY DEPARTMENT:

As we come to the close of time we see the world plagued more and more with earthquakes, tornadoes and various disasters. The Home Missionary Department, as it directs the mighty laymen's movement in its soul-winning endeavors, has an organization in most every church that places them, in times of peril, where they can dispense the necessities of life. Such deeds of mercy done quickly in times of need causes people to inquire about a religion that demonstrates the virtues and fruits of the Spirit. No doubt all this has had its influence in raising \$7,284,219.98 in the Ingathering campaign last year.

SABBATH SCHOOL DEPARTMENT:

The Sabbath School Department reports nearly 500,000 more Sabbath School members than the official church membership. They, too, are emphasizing evangelism and report 6,383 Branch Sabbath Schools and 1,329 Vacation Bible Schools for 1960. Then there is the Sabbath School Offering of over \$8,000,000.00; evidence not only of the church at study, but also of the church sacrificing to see the work of God finished.

EDUCATIONAL DEPARTMENT:

All around the world new schools are being established; others upgraded and strengthened. West Indies College in Jamaica has graduated its first ministerial student with a B.A. degree and Solusi College in Southern Africa has also graduated its first four-year ministerial student. Enrollments for the past year were 230,446 in the elementary grades, 43,041 in the academy grades and 16,513 in the college grades and above.

MEDICAL DEPARTMENT:

Pages 23 to 26 list the Seventh-day Adventist hospitals, clinics, dispensaries and medical launches around the world. What an evangelizing agency is our medical work! During the year nearly 257,000 persons spent several days each under the care and influence of Seventh-day Adventist doctors and nurses in our institutions. In addition to this, nearly 2,900,000 treatments were given to "out-patients."

Many of our young people are in training, preparing for medical service in its various branches:

Mexico - 2 Schools:

Atlantic Coast Area:

PUBLISHING DEPARTMENT:

Here, too, is the spirit of evangelism. Last year 222,977 enrollments to the Bible correspondence schools were sent in by our literature evangelists. As a result of their calling in the homes of people, 3,044 baptisms were reported and 18,081 former Seventh-day Adventists were encouraged to return to the church. In addition to this most important part of their work, the Publishing Department reported sales of books and periodicals amounting to \$23,543,132.57. This is an increase of nearly two and one-half million dollars for the year.

MISSIONARY VOLUNTEER DEPARTMENT:

In a thrilling fulfillment of the prophetic "army" of young people, Missionary Volunteering around the world today claims nearly half a million young Seventh-day Adventists; 14,064 societies with 449,996 members. Statistically, their full record of service is hidden within the totals that represent the complete activity of the church.

The efforts of the young people contributed nearly three-quarters of a million dollars to the Ingathering Drive of 1960. In the same year Missionary Volunteers conducted 1,200,000 Bible studies and meetings, and distributed more than 8,000,000 pieces of literature. Only the heavenly records contain the full story of MV Community Service.

RADIO-TV DEPARTMENT:

Imagine the millions of people who must be listening to the Advent Message over their radios and TV sets. Since the beginning of this form of evangelism 4,651,349 persons have enrolled in the Bible correspondence schools; 1,390,229 have graduated from their study and 106,206 persons have been reported baptised. These broadcasts are given over 1,217

radio stations and 187 TV stations in 22 languages.

Australia is celebrating its fifth year on TV and is doing a wonderful work. South America is broadcasting over 264 radio stations and is now beginning on TV. Mexico, where we have not been permitted to use the radio, is now open over six very powerful stations. This is considered a major break-through. Nigeria is in its second year of TV broadcasting and is reaching a class of people by this means which previously seemed impossible. President Trujillo of the Dominican Republic gave \$125,000.00 toward the establishing of a Voice of Prophecy headquarters. One week before the dedication President Trujillo died, however at the dedication service the government representative quoted from a speech prepared by the president expressing his interest in the work of Seventh-day Adventists.

COUNTRIES ENTERED:

As noted on page 27, for several years we have been following the report of the United Nations in listing the number of countries in the world. Due to the granting of independence and the formation of new countries and the consolidation of others, the number of countries listed has changed from year to year. According to our present report there are 219 countries listed; 196 of which contain 98.97% of earth's population and have established work by Seventh-day Adventists within their borders. This leaves twenty-three small areas with slightly more than 1% of the population that have not as yet been entered, and this is for reasons beyond the control of the denomination.

LANGUAGES:

We have been in correspondence with the divisions checking on the number of languages in which the Three Angels' Messages have been or are being preached. This has been a difficult task and will require some time yet, however you will notice that thus far the number has risen to 228 languages in which we have or have had literature. In addition to this, there are 668 languages reported in which work is or has been conducted orally. This makes a total of 896.

In comparison with the universe this world is as a grain of sand and yet it is the one that has caused the Creator of the universe the most concern. The enormity of the task of giving the gospel of salvation to this sinful world - not only to the nearly three billion people on earth today, but to the millions as they are added from year to year - causes every dedicated worker to feel his smallness and to sense the need for a greater zeal and a broader vision.

May the One who alone can meet the challenge of the times be our guiding influence in this climactic period.

H. W. Klaser, Statistical Secretary

COUNTRIES, ISLANDS, AND ISLAND GROUPS IN WHICH SEVENTH-DAY ADVENTIST WORK HAS BEEN ESTABLISHED

The work of Seventh-day Adventists is being carried on in nearly all of the principal countries of the world, and in many of the smaller geographical and political divisions. It is generally considered that a country or political division has been entered by Seventh-day Adventist interests when regular medical, educational, or other mission activities are being conducted among the people of that particular area, or where there is in the territory one or more groups of persons connected in an organized way with the denomination, such as in Sabbath school or in church fellowship. A new field is not considered as entered when only itinerant preaching or colporteur work has been done, or when there are only a few scattered believers.

Recognizing the need of a reliable list of geographical and political divisions of the world which can be used as a basis for checking the different areas in which Seventh-day Adventist work is being carried forward, by General Conference Committee action we are

using the list of countries as published by the United Nations. The following report is based on information given in Statistical Papers, Series A, Vol. XII, No. 4, October, 1960.

As changes are made from time to time in the administrative bodies or political boundaries of countries, and as such changes are recognized and published by the United Nations, we shall endeavor to change our list accordingly. These changes obviously make comparisons with previous years difficult. Further, such changes do not necessarily indicate the withdrawal of Seventh-day Adventists from any indicated area so changed.

Certain countries are preceded by an asterisk (*) which denotes a country not as yet entered by work of Seventh-day Adventists. This part of the list is also subject to change, and anyone intimately acquainted with conditions, knowing of a correction that should be made, will kindly advise the Statistical Secretary, especially as new mission territories are entered.
